Dedication

This book is endearingly dedicated to...

- ❖ **Dr. Clifford Knapp**, renowned outdoor educator, author, and scholar; a graduate student under L.B. Sharp at the time of L.B.'s passing; and without whom my research journey into L.B.'s career history would not have been possible.
- ❖ **Frances Sharp Barkmann**, (1926 - 2012), only child of L.B. Sharp, who graciously allowed Cliff and I to enter the last few years of her life.
