A cutout of a human skeleton is mounted on a grey cubicle wall. The skeleton is holding a white sign with a yellow border. The sign has the text "Don't be AFRAID" written on it. The word "AFRAID" is in a larger, bold, black font, while "Don't be" is in a smaller, black font. The skeleton is also holding another white sign with a yellow border below it, which has the text "to check these out" written on it. The skeleton is positioned as if it is presenting the signs. There are orange and red autumn leaves scattered around the skeleton and signs.
