

FDLP

FEDERAL DEPOSITORY LIBRARY

The United States Government is the largest publisher in the world.

It distributes materials in a variety of formats, including electronic, CD,

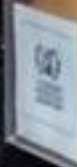

microfiche, and paper. As part of its publishing program, the U.S. Government

Publishing Office (GPO) through the Federal Depository Library Program

(FDLP) distributes certain classes of Government documents free of

cost to designated libraries throughout the United States and its territories.

These libraries are known as Federal depository libraries.

FDLP

FEDERAL DEPOSITORY LIBRARY

The United States Government is the largest publisher in the world. It publishes materials in a variety of formats, including electronic CD.

Available and used in all 50 states and Washington, D.C. and territories.

Following Title 47 CFR through the Federal Depository Library Program.

FDLP deposits certain issues of Government documents that are not designated for worldwide distribution.

not to designated for worldwide distribution throughout the United States and its territories.

These libraries are known as Federal Depository Libraries.

"The United States Government is the largest publisher in the world.
