DEGREE MAP TEMPLATE (draft)

Name of Degree: [set as dropdown menu to force match with ISRS]

Degree Type: [set as dropdown menu to force match with ISRS]

Emphasis: [set as dropdown menu to force match with ISRS]

Option: [textbox]

DESCRIPTION: [textbox] Directions: Description of program should match or be abbreviated from the academic bulletin.
ADMISSION: [textbox] Directions: Admission requirements must match the academic bulletin.
The [DEGREE TYPE] in [DEGREE] degree map below does not set a required timeline for taking courses. Flexibility may be possible as long as the Milestones are met. A student is expected to meet with their advisor on a regular basis to ensure order courses are taken will lead to successful completion of the degree.
ADVISING: [textbox] Directions: Provide information on advising available for the degree; include both college and program-level advising support.
A complete listing of program faculty, policies, and course descriptions is available in the University academic bulletin.

Static textbox with bracketed information auto-filled from info provided above
