It has been accepted for inclusion in Aeronautics by an authorized administrator of Cornerstone: A Collection of Scholarly and Creative Works for Minnesota State University, Mankato.

### How to find a U.S. Government Publication

GPO is the largest publisher in the world, producing more than 100 million pages of information each year. To help you find the information you need, we have developed a system of classification and numbering. This system is based on the Dewey Decimal Classification, which is used by libraries and bookstores throughout the world.
